

REFINED STITCH BABY GIFT ATELIER

LITTLE HEIRLOOMS

TWENTY CURATED BABY GIFT HAMPERS

A considered collection of newborn essentials,
keepsakes, comforters and personalised gifting ideas.

PRODUCT-BASED CONCEPT CATALOGUE / PROPOSED PRICES £79-£479

THE COLLECTION

Thoughtful gifts for little beginnings

Twenty curated gift concepts assembled from individually identified Baby & Kids products in the Refined Stitch public catalogue feed. Each hamper includes itemised SKUs, colour and size details, and a link to the original product photograph.

HOW TO READ THIS CATALOGUE

GIFT IMAGE: AI-generated styling concept; not a photograph of an assembled Refined Stitch hamper.

PRODUCT LIST: Actual SKU and reported specifications from the publicly available feed.

VIEW PHOTO: Click the underlined photo link for the real supplier or Refined Stitch image.

PRICES: Bundle proposals, not published offers or confirmed packing / embroidery costs.

OUR APPROACH TO PERSONALISATION

Refined Stitch can offer names, initials or short messages on suitable textiles, subject to material suitability, safe placement, design approval and a production check. Not every product can or should be embroidered (for example, sensory toys, clay keepsakes and many small accessories).

QUALITY AND COMPLIANCE

Material composition, age grading, care labels, UK product-safety documentation and image-usage permission should be confirmed with the supplier before the bundles are offered for sale. Relevant certificates can be supplied on request where held and applicable. Avoid using soft toys, cushions, loose blankets or accessories in an unattended infant sleep environment.
